PROPERTY AND CASUALTY DIVISION

The Property and Casualty Division, pursuant to Chapter 44, Article 14, of the Nebraska Insurance Code, is charged with the responsibility of promoting the public welfare by regulating insurance rates so they shall not be excessive, inadequate or unfairly discriminatory. To accomplish this objective, rates must be approved by the Department prior to their use. Each rate filing is reviewed by members of this division to analyze the statistical or judgmental justification for the filing.

Policies, forms and certificates of insurance are also subject to approval by the Department before they can be issued by the insurers. They are reviewed for compliance with Nebraska statutes, clarity of language, benefit to the public and coverage commensurate with the rates charged.

During 1988, the Property and Casualty Division took final action on 7,967 filings. Of these 7,760 represent approvals, compared with 7,665 filings approved the previous year. Filings that were disapproved or were withdrawn at our request totalled 207.

Of these 7,660 filings, 117 were made by rating organizations (bureaus) for members and subscribers. Filings made by companies, either as independent filings or deviations, totaled 7,643.

The following is a breakdown by catagory:

Fire and Marine	Multi-Peril	Auto	Liability	Other
1,116	2,059	1,905	961	911

During the year 75 statistical plans and 25 experience reports were filed by statistical agents. These experience reports included premiums written and earned and losses paid and incurred in a particular line of insurance for one, three and five year periods.

Five policies were filed with us involving excess rates and ten individual policy filings were made.

The licensing of property and casualty companies seeking authority to do business in Nebraska is handled by this Division. During 1988, seventy-two applications by foreign and alien companies were reviewed. Twenty-nine of those were admitted.

This Division is also responsible for the administration of the Hospital-Medical Excess Liability Fund. During 1988, the surcharge collected was $5,106,450.00 and the claims paid totaled $1,132,735.00.

This Division is also responsible for oversight of the Surplus Lines business in Nebraska. Licensing of agents and collection of premium taxes are now handled by other Divisions.

NOTE 1 - ORGANIZATION

Nebraska Life and Health Insurance Guaranty Association is a nonprofit, unincorporated association organized and established by the Nebraska Life and Health Insurance Guaranty Act, Sections 44-2701 thru 2720, R.S. Supp. 1975, which provides for the creation of an association of member insurers to enable the guaranty of payment of benefits and the continuance of coverage of life insurance policies, health insurance policies, annuity contracts and supplemental contracts. Any insurer licensed to issue life and health insurance policies, and annuity and supplemental contracts in the State of Nebraska is required to be a member.

Association members may be assessed three types of assessments as follows:

Class "A" - Assessment for administration expenses of the Association.

Class "B" - Assessment to cover insurance benefit claims and expenses of domestic (Nebraska) insurance companies which are declared insolvent by the State of Nebraska Department of Insurance.

Class "C" - Assessment to cover insurance benefit claims and expenses of foreign (other than Nebraska) insurance companies with policyholders in Nebraska which are declared insolvent by the State Department of Insurance.

NOTE 2 - ACCOUNTING POLICIES AND INCOME TAXES

The Association maintains its accounting records and prepares its financial statements on the basis of cash receipts and disbursements.

Separate funds are maintained by type of assessments and by insurers, and the assets of each fund are held in separate bank accounts and certificates of deposit. Occasionally, monies are temporarily borrowed from some funds to pay disbursements of other funds but repayment of the borrowed monies plus interest is made as soon as possible.

The Association is a nonprofit, unincorporated entity of the State of Nebraska and, therefore, no income tax returns or return of organization exempt from income tax are required to be filed.

NOTE 12 - CONTINGENCIES

First Transcontinental Life Insurance Corporation of Wisconsin, was placed into liquidation on October 14, 1988. The bulk of First Transcontinental's insurance business is being assumed and reinsured by United Wisconsin Life Insurance Company. There are three groups in Nebraska covering a small number of individuals which United Wisconsin has refused to assume and reinsure. The Nebraska Life and Health Insurance Guaranty Association cancelled those three group policies effective December 31, 1988, and entered into an Administrative Services Agreement with American Medical Security, Green Bay, Wisconsin, to settle the benefit claims of the Nebraska insureds. On January 24, 1989, $50,000 was remitted to American Medical Security for the estimated benefit claims of Nebraska insureds and the related expenses. The $50,000 was borrowed from the Class A Fund checking account #127-856-10 at Vistar Bank, Lincoln, and on January 24, 1989, the Board of Directors authorized an assessment be made of member insurers to provide funds to repay the inter-fund loan from the Class A Fund.

Lumbermens Life Insurance Company, Indianapolis, Indiana, was ordered into rehabilitation on August 30, 1988. The Nebraska Life and Health Insurance Guaranty Association has executed a "Consent to Proposed Reinsurance Agreement", which approves the reinsurance agreement with Jefferson National as proposed by the rehabilitation, and which should eliminate the potential obligations of the participating guaranty associations. No communications have been received from any policyholder or claimant.

First Columbia Life Insurance Company of Louisiana, was ordered into liquidation on November 18, 1988. Preliminary indications are that the insurance policy obligations to Nebraska policyholders are 174 accident and health claims totaling $74,801 and six annuities with a total balance of $46,848.

Other companies on which preliminary information has been received concerning possible involvement of the Nebraska Life and Health Insurance Guaranty Association to protect the interests of Nebraska insureds include:
